Trudbenik Government Enterprise controls the manufacture of construction materials in Yugoslavia. 25X1

1. The Trudbenik government enterprise controls the manufacture of construction materials in Yugoslavia. The enterprise has approximately 11 branches in Yugoslavia and employs approximately 4,200 people. The director of the enterprise is Jeftic (fnu), a wartime Partisan.
2. The following installations in Serbia are controlled by the Trudbenik enterprise:
 - a. A cement factory in Stalac which produces:
 - (1) Cement pillars and poles;
 - (2) Cement railroad ties; and
 - (3) Cement sewer and water pipes.
 - b. A marble factory in Vencac;
 - c. A ceramics factory in Mladenovac;
 - d. A marble processing shop in Mladenovac;
 - e. A construction branch which is building a large cable factory in Jagodina. The new factory will supply enough cable for Yugoslavia as well as surplus for export.

Elektro Srbija Government Enterprise

3. The Elektro Srbija government enterprise controls the planning and installation of electric power lines in Serbia. The enterprise has approximately 420 employees.
